29 September 1959

MEMORANDUM FOR: Chief, Personnel Section, DPD

SUBJECT: Transportation of [] Personnel
to the West Coast

25X1

1. Reference is made to your memo, subject same as above, dated 15 September 1959. To clarify Operations' position and to preclude any misunderstanding re the availability of Project C-54, I wish to point out that the airlift of subject personnel must be accomplished in conjunction with a bona fide airlift of Project personnel and/or materials.

2. At the present time a firm date cannot be given for the air lift to the West Coast, however, a possibility exists that it will be necessary to air lift project personnel to San Bernardino, California, on 9 October 1959. If this trip goes as scheduled, it will be possible to perform requested airlift.

3. You will be kept advised as to the latest planning reference the date of 9 October.
